### Information Disclosure Statement

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Pursuant to recent conversations with the Examiners Zara and Leffers, Applicants hereby submit a master list of all references that may be considered material to the examinations of U.S. Application Serial Nos. 09/359,304, 09/359,305, 09/359,297, 09/359,300, 09/359,229, 09/232,170, 09/359,303, 09/359,301, 09/359,302, 09/359,298, and 09/359,293. Applicants also submit a single copy of each reference of the master list for Examiner Zara in U.S. Application Serial No. 09/232,170 and for Examiner Leffers in U.S. Application Serial No. 09/359,304.

On the accompanying Form PTO-1449, the un-shaded documents are the references cited in the instant application and they may be considered material to the examination of the instant application, in compliance with the duty of disclosure requirement of 37 C.F.R. §§ 1.56, 1.97 and 1.98. It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-

1449 Form and indicate in the official file wrapper of the instant application that the documents have been considered.

Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue. Applicants have listed publication dates on the attached PTO-1449 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is further understood that the Examiner will consider information that had been cited by or submitted to the U.S. Patent and Trademark Office in a prior application relied on under 35 U.S.C. § 120. 1138 OG 37, 38 (May 19, 1992).
